

## **Christian World Foundation FamilyBuilder Fund Grant Application**

Christian World Foundation (CWF) desires to support parents who wish to adopt but may not possess sufficient financial resources to build their families, therefore, we have created the FamilyBuilder Fund™ (FBF).

The FamilyBuilder Fund is made available by generous donations given to the Fund by individuals and organizations. FBF grant money will be distributed based upon two primary factors: families who fulfill FBF eligibility requirements, and available funds. Families who wish to receive a FamilyBuilder Fund grant are subject to the requirements outlined in this application.

### **General Requirements**

The basic requirements to qualify for an FBF grant are:

- Applicant is a registered client with Christian World Adoption
- Applicant has a completed home study within 6 months of applying for an FBF grant
- Applicant gives written permission to CWF to review their home study as a tool to help establish their eligibility for an FBF grant
- Applicant writes a brief Petition Letter
- Applicant completes the attached Financial Statement form

The FamilyBuilder Fund Committee will consider the following in selecting applicants for grants:

- Needs of the child being considered for adoption
- The family's current debt and reasons for debt
- The family's special circumstances
- The family's geographic location
- Other aid the family may receive (ex: from employers, churches or other grant programs)
- The family's Petition Letter

### **About Grants**

FBF grant monies will be applied directly to expenses incurred through Christian World Adoption (agency fees, country program fees, post placement fees, etc). Donations to the FBF must be made directly to CWF and not to applicants or their families.

Assistance per qualified family will be no less than \$1,000 and no more than \$10,000.

Christian World Foundation reserves the right to assist applicants according to FBF eligibility requirements. All grants from CWF will be kept confidential.

The FBF applicant must submit a comprehensive financial statement. The FBF Committee will evaluate each application and will award grants to qualified applicants. Christian World Foundation cannot guarantee that all qualified applications will receive a grant, which are determined based upon funds available. All FBF Committee decisions are final. Financial ability of the family to complete the adoption will be considered, although it is the child, not the family, who is the ultimate member of a charitable class and recipient of a grant.

Applicant eligibility for grants is not subject to discrimination with regard to gender, race, creed or ethnic group. Applicants may not donate money toward their own adoption expenses with the intent to receive a tax deduction.

Grant monies for adoption expenses will only be paid after the family has a completed home study and has been approved by the FBF Committee.

Grant monies will be applied first to all CWA agency fees/expenses. Grant monies for adoption-related expenses outside of CWA can be made once all CWA agency-related fees/expenses have been satisfied.

Christian World Foundation must comply with all IRS requirements. Therefore it is not possible to set up personal accounts for families with a guarantee that donations deposited are for their use. Christian World Foundation reserves the right to determine the use of all donations made to the FamilyBuilder Fund. All donations deposited to the FamilyBuilder Fund are neither refundable nor transferable, either to the donor or any FBF applicant.

If a qualified family has received an FBF grant in part or in full, and for whatever reason will not or cannot complete the adoption, it must be understood that all donations made to the FBF do not belong to them in any way. Christian World Foundation retains full control and determination of how donations are disbursed.

## **The Grant Process**

1. The FBF Committee will meet as required to review each application submitted.
2. The amount of each grant and the number of grants awarded depends on the funds available at the time of the FBF Committee meeting.
4. CWF will contact all grant applicants to notify them of the Committee's determination.
5. Funds will be held and disbursed as adoption related expenses are incurred.

## **Submit Application**

Once you have completed all the documents required to submit your application, then please assemble them in the following order:

- 1. Petition Letter: a single page explanation of why you are requesting a FBF Grant**
- 2. FBF Application Form**
- 3. Financial Statement**

Return the items above to:

## **Disclaimer**

The need for adoption assistance and the number of requests received by Christian World Foundation may exceed resources available at any given time. Consequently, neither Christian World Foundation, its officers, directors, agents nor employees can guarantee that all applicants will receive funding from the FamilyBuilder Fund. All grants awarded are at the sole discretion of the FBF Committee.
