ARTICLE 3 – NEWLY HIRED EMPLOYEES

Section 3.01

Employees hired shall be considered on probation for the first three (3) months of employment. The probationary period may be extended by mutual agreement between the Company and the Union.

Section 3.02

In order to further the spirit of respect and responsibility between the Company and the Union, the Company will allow up to 30 minutes for a Union Representative to conduct New Hire Orientation. The New Hire Orientation will take place within 30 days of the new hire employment date.

ARTICLE 4 - COLLECTIVE BARGAINING PROCEDURE

Section 4.01

All collective bargaining shall be carried on between authorized representatives of the Union as designated by its President and authorized representatives of the Company.

Section 4.02

Any agreement reached as a result of the collective bargaining by the representatives of the parties to this agreement shall become effective and binding only when signed by the aforementioned parties.

Section 4.03

The Union and the Company shall keep each other currently advised in writing of the names of representatives authorized to represent them in collective bargaining, negotiations, and in the execution of final and binding agreements.

Section 4.04

By mutual consent of the authorized representatives of the parties hereto, this agreement may be amended at any time. Such amendment shall be

reduced to writing, state the effective date of the amendment, and be executed in the same manner as this Agreement.

ARTICLE 5 - GRIEVANCE PROCEDURE

Section 5.01

A grievance is a complaint by an employee or group of employees for whom the Union is the bargaining agent, involving the interpretation or application of any of the provisions of this agreement, dismissal without proper cause, involuntary demotion, or a complaint that an employee has in any manner been unfairly treated by the Company; or that the health and safety of the employee or employees has been jeopardized. All grievances shall be resolved exclusively in the manner set forth in this Article and Article 6, Arbitration.

Section 5.02

Nothing contained in this Agreement shall deprive any individual employee of the right to discuss with the Company matters in his own interest. It is encouraged that the employee and/or his/her steward discuss the issue with the employee's supervisor in the spirit of trying to resolve the issue before resorting to the grievance procedure. However, if such matter presented by an employee involves a question of interpretation or application of this Agreement, which may establish a precedent, or a question involving a matter appropriate for collective bargaining, the Company shall immediately notify the Union, and the Union shall be present and participate in the discussions and dispositions of such matter.

Section 5.03

Once a grievance has been presented by the Union to the Company, representatives of the Company shall not discuss the grievance with the aggrieved employee or employees without affording the appropriate Union representative an opportunity to be present.

Section 5.04

When a grievance is presented to the Company in writing, the supervisor having authority over the matter shall within ten (10) calendar days of the date of presentation hold a meeting for adjustment of the grievance with the appropriate Union representatives. The Company shall answer the grievance in writing within ten (10) calendar days after the date of this meeting.

Section 5.05

If the grievance is not satisfactorily adjusted under the provisions of Section 5.04, the Union may appeal the grievance to the Company representative within twenty (20) calendar days following issue of the written answer. Upon presentation of the grievance to this level, the Company shall within twenty (20) calendar days hold a meeting with the Union, by mutual agreement of the parties the meeting may be via conference call where applicable, for the adjustment of the grievance. Within twenty (20) calendar days after the adjustment meeting is held, the Company shall give its position on the matter in writing to the Union.

Section 5.06

If the grievance is not satisfactorily adjusted under the provisions of Section 5.05, the Union may appeal the grievance to arbitration within thirty (30) calendar days as outlined in Article 6.

Section 5.07

No complaint or grievance shall be eligible for handling unless proceedings begin within twenty (20) calendar days after knowledge of the event out of which such grievance shall have arisen. The Company shall not attempt any disciplinary action against any employee for whom the Union is the bargaining agent after the expiration of thirty (30) calendar days from knowledge of the event. The time periods specified in this Article may be extended by mutual consent of the Union and the Company.

Section 5.08

An authorized Union representative not on leave from the Company shall give his immediate supervisor reasonable notice of his intended absence to investigate or process a grievance.

Section 5.09

In the event the Company contemplates the dismissal for just cause of any employee with over three (3) months of seniority, the Company shall notify the Local Union President, or designee, and review the facts prior to the actual dismissal. During the probationary period, new employees may be discharged or otherwise disciplined at the sole discretion of the Company and such lay off or discharge or other disciplinary action may

not be made the basis of any claim or grievance against the Company either by the probationary employee or the Union.

Section 5.10

Employee/Union representatives not exceeding two (2) in number shall suffer no loss of regular pay for time required in meetings with the Company representatives when handling grievances.

ARTICLE 6 - ARBITRATION

Section 6.01

When a grievance cannot be satisfactorily settled through the grievance procedure outlined in Article 5, the grievance may be dropped or submitted to arbitration by either party during the term of this agreement.

Section 6.02

A request for arbitration shall be presented in writing by one party to the other within thirty (30) calendar days after receipt by the Union of the Company's final answer on the grievance. Within thirty (30) calendar days of the giving of such notice, a request will be submitted to the Federal Mediation and Conciliation Service by the Union or a designee of the Company Human Resources should the Company request arbitration. If not taken forward within the above mentioned time frame, the matter will be considered closed and the Company's final grievance response will stand as written.

Any awards of back wages by an arbitrator shall be limited to the amount of straight time wages at the employee's base rate the employee would otherwise have earned from her/his employment with the Company during the period involved, less any unemployment compensation or other compensation for employment that the employee may have received from any source during that period, provided that such compensation was not a normal part of the employee's income prior to the imposition of the discipline. However, in any grievance arbitrated under the provisions of this Section, the Company shall under no circumstances be liable for any retroactive back pay, benefits, or any other advantage of employment (such as vacations) for more than eighteen months (plus any time that the processing of the grievance or arbitration was delayed at the specific request of the Company) after the date of the disciplinary action. Delays at the specific request by the Union in which the Company concurs shall not be included in such additional time.

Section 6.03

The arbitrator will be chosen by contacting the Federal Mediation and Conciliation Service and obtaining a list of arbitrators from the National Academy of Arbitrators with their principle residence in Ohio, Kentucky, Indiana, Illinois or Michigan. Each party will alternately strike until one (1) name is left and proceed as prescribed by the service. The complaining party shall have the first strike. Each party shall have the right to reject one (1) entire panel as unacceptable per case and then another panel shall be requested from the Federal Mediation and Conciliation Service or, when used as an alternate, the American Arbitration Association.

Section 6.04

All proceedings under this Article shall be started and carried to conclusion as expeditiously as possible.

Section 6.05

Each party shall bear the expense of preparing and presenting its own case. The compensation and expenses of the arbitrator shall be borne equally by the Company and the Union. Either party may require that an official record of the proceedings be prepared by a professional reporter and that a copy be provided to the arbitrator. The party requiring an official record of the proceedings will pay the full cost of all reporting and transcript fees unless the other party requests a copy or the right of inspection or use, in which event the full cost shall be equally divided between the parties.

Section 6.06

The decision of the arbitrator shall be binding upon both parties and shall conclusively determine the dispute being arbitrated.

Section 6.07

The arbitrator shall not have authority to add to, subtract from, or modify any provisions of this Agreement.

Section 6.08

The time periods specified in this Article may be extended or otherwise modified by mutual consent.

Section 6.09

Once a grievance has been appealed to arbitration in accordance with this Article, if the Union at the International level requests grievance mediation and the Company concurs, the grievance will be presented at a Mediation Conference before it is scheduled for arbitration. The rules of the selected Mediation Service will apply. If a settlement is not reached at the Mediation Conference, the grievance can be subject to being scheduled for arbitration in accordance with this Article. In the event that a grievance which has been mediated subsequently is arbitrated, no person serving as a mediator between these parties on this issue may serve as the arbitrator for the issue. Nothing said or done by the mediator may be referred to at arbitration. Any settlement proposal made by either party at the Mediation Conference shall not be referred to at the arbitration hearing. The parties will share equally the costs associated with mediation.

ARTICLE 7 - COLLECTION OF UNION DUES

Section 7.01

The Company shall make collection of Union dues through payroll deduction upon an order in writing, signed by the employee, and shall pay monthly to the designated representative of the Union the total amount thus deducted from all employees. All deductions shall be made from the wages paid to employees in each of the payroll periods of the current month.

The Company's obligations under this Section 7.01, as well as under any payroll deduction authorization form signed by any employee, regardless of its contents, shall not survive the expiration or termination of this Agreement (or the expiration or termination of any written extensions). The Company may, therefore, unilaterally and without negotiation, discontinue the payroll deductions until the parties have successfully negotiated a successor Agreement which includes a dues deduction check off obligation.

Section 7.02

Cancellation by an employee of such written authorization for payroll deduction shall be in writing signed by such employee, and upon receipt thereof the Company shall honor any such cancellation. An employee's authorization shall be deemed automatically canceled if the employee

leaves the employ of the Company or is transferred or promoted out of the bargaining unit.

Section 7.03

Deductions of dues shall be suspended during the period of an employee's leave of absence. No dues shall be deducted when sufficient pay is not available. In such case, Union dues shall be deducted in the next payroll period for the same month in which sufficient pay is available.

Section 7.04

The Company will, each month, furnish the authorized representative of the Union a record of the amounts of such deductions, a list of names and location of employees canceling their dues during the current month, and a list of names and locations of employees from whom dues deduction authorizations have been received during the current month.

Section 7.05

The Union agrees that the Company assumes no liability in the administration of this Article, and further agrees to indemnify and hold harmless the Company, its directors, officers, agents and employees from and against any and all claims, demands, actions, lawsuits or any other forms of liability, monetary or otherwise.

ARTICLE 8 - LIST OF EMPLOYEES

Section 8.01

Upon request, the Company will furnish annually, on or about February 1, to the designated representative of the Union a list showing the name, headquarters location, and continuous service record date of each regular and temporary employee in the bargaining unit, and who has completed sixty (60) days of the probationary period.

Section 8.02

Upon request, the Company will furnish the designated representative of the Union, as soon as practicable, a supplementary list showing the name, headquarters location, and continuous service record date of each regular and temporary employee who has engaged, re-engaged, or transferred in since last reporting or during a lesser specified period, and who has completed sixty (60) days of the probationary period.

Section 8.03

Upon request, the Company will furnish the designated representative of the Union, as soon as practicable, a list of all employees currently on leave of absence and all changes in names (showing the former and present name) of employees in the bargaining unit since last reporting or during a lesser specified period. These lists shall include the payroll designation of the employees concerned.

**ARTICLE 9
PROMOTION OR TRANSFER OF UNION OFFICERS**

Section 9.01

When the Company desires to either promote to a management position or transfer an employee who is a duly certified president, vice-president, or secretary-treasurer of a local of the Union, and the proposed change would have an effect on his status as an officer of the Local, the Company agrees to give the designated representative of the Union written notice of such impending promotion or transfer at least fourteen (14) calendar days prior to the effective date of the change.

ARTICLE 10 - ABSENCE FOR UNION ACTIVITIES

Section 10.01

Union officers or representatives shall be permitted to absent themselves from work with reasonable frequency and for reasonable lengths of time to transact Union business and without pay. However, when contract bargaining, not to exceed three (3) employee/Union representatives shall receive their normal pay from the Company. In other meetings with the Company, employee/Union representatives shall not be paid by the Company, unless the meeting is initiated at its request. When handling grievances, employee/Union representatives, not exceeding two (2) in number, shall suffer no loss of normal pay for time required in meeting with Company representatives. Each member so absenting himself from his normal duties shall give his supervisor reasonable notice of his intended absence and its probable duration.

ARTICLE 11 - SENIORITY

Section 11.01

Company seniority shall be determined by the continuous service of the employees affected as shown on the records of the Company.

Section 11.02

Bridging of Service. Upon reemployment following any separation from employment, an employee may qualify for “bridging of service.” Bridging of service shall be available to former employees in accordance with the Bridging of Service Policy applicable to non-represented employees of the Company.

The Company has the exclusive right to amend, modify, or discontinue the Bridging of Service Policy at any time so long as the changes are uniformly applied to all eligible employees, both represented and non-represented of the Company.

Section 11.03

Union seniority shall govern in matters affecting assignments of vacations, transfers within the bargaining unit, layoffs, and re-employment after layoffs.

Section 11.04

Union seniority for the assignment of hours shall be by job title and apply to the headquarters exchanges.

Section 11.05

Union seniority shall govern distant work assignments within a job title group subject to consideration of qualifications to perform the assigned work.

Section 11.06

For new employees, hired on the same day, seniority will be determined by using the last four digits of the employees’ social security number with the highest number being more senior.

Section 11.07

Any bargaining unit employee of the company who transfers into this bargaining unit as a result of a transfer from another bargaining unit shall have their seniority honored under the following conditions: Only time actually accrued in a company bargaining unit will be credited for

seniority purposes. The bargaining unit from which the transfer is being made must have contractual provisions that provide for the same recognition of seniority under the same terms and conditions. Subject to the conditions listed above, the transferring bargaining unit employee shall be able to immediately utilize their transferred seniority for all uses of seniority.

ARTICLE 12 - JOB POSTING, BIDDING, AND AWARDS

Section 12.01

The Company shall make declarations of job openings as soon as it is known that vacancies are to be filled or new jobs are to be created. In those cases where the Company finds it necessary to fill vacancies temporarily in advance of the date of closing of bids, the employee filling such position on a temporary basis shall be advised of the temporary status and such temporary job occupancy shall not be deemed to have any effect on determination of competence to do the work. The employee shall have the right to refuse a promotion without affecting his/her status for future promotions.

Section 12.02

When filling a vacancy within the bargaining unit, job postings shall be posted for a minimum of seven (7) calendar days spanning a two (2) week period. Bids must be submitted in accordance with the posting, within the specific time period. The job posting and the job bid will be in accordance with the appropriate method as described by the Company.

Section 12.03

Bids, including down bids, from any employee in the CWA local which is party to this Agreement shall be considered, except employees who at the time of the vacancy are in one of the following classes:

Employees who within the previous six (6) months have been returned to their former job because of failure to qualify on a job in the same job title as the vacancy involved;

Employees who have been awarded a job within the previous twelve (12) months, including new hires, cannot down bid unless released by the appropriate department manager. A down bid is defined as moving from a job title with a higher maximum base wage, as presented in Appendix

A, to a job title with a lower maximum base wage as presented in Appendix A;

Network Technician II and Network Technicians who have been in the present job title for less than eighteen (18) months, unless released by the appropriate department manager.

Section 12.04

In all cases of job bids, the selection of employees to be awarded a job shall be determined by the Company. The Company will first attempt to fill the vacancy internally from those employees submitting a job bid request. In order to be considered a candidate for selection (either internal or external), the candidate must successfully pass any reasonable and job appropriate tests used by the Company for the position. If the candidate passes such testing, or if the Company elects not to use testing as part of the selection process, qualifications shall be determined by the total circumstances including work experience, performance (and any performance evaluations), applicable technical education and attendance. The Company may use other forms of testing, interviews and/or other reasonable methods of determining qualifications as herein defined.

Section 12.05

Bid awards shall be made within a reasonable timeframe following the bid closing date and thereupon the President of the CWA locals and all bidders shall be advised of such bid awards. The person receiving the award shall be placed in the job within a reasonable timeframe of the award date.

Section 12.06

The position will be filled by the most qualified candidate from any source as determined by the Company. Seniority will govern only in the event multiple internal candidates are determined to be most qualified by the Company. If no candidates are deemed qualified by the Company, the Company may elect to fill the vacancy from any available source.

Employees desiring to change positions shall notify their supervisor, in writing. Their supervisor will provide career counseling assistance to the requesting employee(s). The Company will pay for all recommended training successfully completed by the employee. Employees who successfully complete the recommended training, will be considered qualified. It is recognized that formal technical education, especially in

advanced electronics, is a large factor in determining qualifications for some positions.

Section 12.07

Employees are encouraged to reside within a reasonable distance of their reporting location for availability for service related reasons. All bid openings will show that the successful bidder will be required to reside within an approximate thirty- five (35) mile distance of the reporting location. Any individuals in present jobs not conforming to the above provisions will be allowed to maintain their present residence. However, if they bid on another job, they will be required to satisfy this provision.

ARTICLE 13 – HOME GARAGING

Section 13.01

Home Garaging will be administered in accordance with the current Company policy. The Company reserves the right to amend or discontinue the policy in accordance with Article 54. A copy of the Home Garaging policy will be made readily available to all employees.

ARTICLE 14 – 4-10's

Section 14.01

It is recognized that in certain work units or groups, it may be beneficial to the employees and in the best interest of the business to establish a four (4) day schedule as a normal work week. Accordingly, the number of hours which presently constitute a normal five (5) day work week schedule will be scheduled in equal amounts over four (4) consecutive days, if agreed to by the affected employees. No overtime payment as required in Section 25.02 shall be made for any of the hours worked over eight (8) when the conditions of this Section are in effect. Continuous work over ten (10) hours in any work day will be paid at the applicable overtime rate. Night differential payment will be paid for hours worked before 6:00 a.m. and after 7:00 p.m.

ARTICLE 15 – PERSONAL TIME OFF (PTO)

Section 15.01

Effective January 2012, paid time off will be given to all full-time employees and those regular part-time employees regularly scheduled thirty (30) hours or less per week, during the prior calendar year in accordance with other provisions of this Article. Full-time employees

shall be paid for PTO periods at their basic weekly rates plus any normal differentials based on the average hours worked per day in the previous five (5) weeks. PTO pay of regular part-time employees shall be computed on the basis of their average scheduled weekly hours within the qualifying year at their basic hourly wage rate in effect at the beginning of the PTO period plus any normal differentials based on the average hours worked per day in the previous five (5) weeks.

PTO hours are provided for all incidental absences from work and for the first five (5) consecutive scheduled workdays of a non-occupational **or** occupational disability related absence. The employee must use all available PTO hours before hours can be taken unpaid, except in situations where FMLA-covered absences to care for covered relatives will exceed five consecutive days or when the absence is Worker's Compensation related. In those cases only, the employee will have the opportunity to elect whether to take PTO hours or an unpaid absence. In all other situations, the employee will not have the opportunity to choose. If an employee does not have available PTO hours, those hours for which PTO hours are not available shall be non-paid.

The approval of PTO time (both scheduled and unscheduled) is solely at the company's discretion based on operational needs of the business.

Scheduled PTO are those hours requested by the employee and approved by management. Scheduled PTO hours are included as part of the standard work week for overtime purposes.

Unscheduled PTO are those hours requested by the employee and not approved by management. Unscheduled PTO taken by an employee for pay purposes only shall result in an employee receiving an occurrence against their attendance according to the attendance policy. Unscheduled PTO hours are not included as part of the standard work week for overtime purposes.

When service requirements do not permit, an employee may be required to postpone or even cancel any portion of their scheduled PTO for the current year. In the event that cancellation by the Company of scheduled PTO is necessary and no alternate date is agreed upon, the employee will be given the choice of carrying a maximum of 40 hours over to the next calendar year, or being paid the equivalent of the scheduled PTO time that was cancelled within the next pay period.

Section 15.02

Regular employees shall be granted PTO with pay based upon their cumulative length of continuous service as follows:

Service Completed	PTO Hours
Less than 1 year	Up to 64 hours
1 year but less than 5 years	136 hours
5 years but less than 10 years	176 hours
10 years but less than 15 years	196 hours
15 years but less than 20 years	216 hours
20 years but less than 25 years	236 hours
25 years and more	256 hours

*During the first calendar year of employment, employees earn PTO hours on a monthly basis (5.33 hours per full month) based on the hire date. These hours will be available at the time of hire. However, if PTO is taken prior to it being earned and the employee leaves the Company, the payment for this time will be deducted from the final paycheck.

The PTO year which shall be used in computing the amount of paid time off shall be from January 1st through December 31st of each year in which this Agreement continues in effect, except that in the anniversary year of 1, 5, 10, 15, 20 and 25 years, the employee earns PTO at the higher rate for the entire year.

Employees are encouraged to schedule and take all PTO within the calendar year. However, due to business or other needs, an employee may not be able to take all of his or her PTO time in the current year. In these instances, up to 40 hours of PTO will be automatically carried over for use by December 31 of the following year. This includes employees on Short Term Disability and/or Worker's Compensation. Any carryover hours not used by December 31 will be forfeited. Employees may not receive pay in lieu of PTO, except in situations where PTO is cancelled or postponed as described in this article.

The Company may require that the fifth week of PTO be taken during January, February, March or April.

Section 15.03

Whenever a holiday which would have been included in an employee's work schedule falls within the employee's PTO period, the Company shall in each case grant an additional day of PTO in lieu thereof.

Section 15.04

The Company will post a single PTO schedule for each job title by department and district by October 15th, to be completed by December 15th, showing the weeks in which PTO will be granted and the number of employees who will be granted PTO for each such week. This posting may be electronic. Employees must select all their eligible accrued PTO from such schedule in accordance with their seniority, except that changes may be made for service requirements. Day at a time PTO is limited to ten (10) days until all employees have scheduled their PTO choices. Thereafter, remaining PTO may be scheduled a day at a time until all available PTO is scheduled. Employees changing their PTO after December 15th shall not exercise their seniority to bump less senior employees who have selected PTO prior to December 15th.

Effective 1/1/21 – PTO may be scheduled at any time with approval of the day taken by the immediate supervisor. The supervisor will consider each request on a case by case basis. Up to eight (8) days/sixty-four (64) hours of PTO shall not be counted as an unexcused absence if it is an immediate emergency. An immediate emergency is defined as a serious health condition of a family member or an unexpected situation regarding safety or property damage.

Section 15.05

Employees who quit, are terminated, or retire shall be entitled to any earned and unused accrued PTO. Should any PTO pay be due the employee, the Company shall have the right to deduct from said pay any money owed the Company by the employee, including costs or expenses incurred due to the loss of, destruction of, or damage to Company property or equipment. In the event of a death of an employee who has qualified for PTO under the terms of this Agreement, the amount of PTO will be paid to the employee's spouse or paid into the employee's estate.

If an employee's termination date is between December 26 and December 31, the employee will be entitled to receive pay for the full amount of PTO hours which would have otherwise been earned and taken during the next calendar year. Employees that terminate prior to December 26, for any reason other than retirement, will not be eligible for any payment of any PTO which is being earned in the current year and to be taken during the next calendar year.

A retiring employee will earn PTO during the calendar year in which they retire on a pro-rated basis for full months of service. This will be paid to the employee at the time of retirement. For example, an

employee that retires on May 1 will receive pay for 4/12 of their PTO allotment.

Section 15.06

Employees who are scheduled for PTO and are unable to use this PTO due to major illness, major accident, contractually covered funeral, and who timely notify the Company with proof of condition, shall have the PTO rescheduled if time remains in the calendar year and the workload permits.

ARTICLE 16 – HOLIDAYS

Section 16.01

Effective January 1, 2012, the following days shall be authorized holidays:

New Year’s Day	Labor Day
Martin Luther King Jr. Day	Thanksgiving Day
Memorial Day	Christmas Eve Day
Independence Day	Christmas Day

Section 16.02

If an employee works on an authorized holiday, the employee shall be paid one and one-half times the regular hourly wage for each hour worked in addition to holiday pay. If a full-time employee does not work on an authorized holiday, the employee shall be paid the regular daily basic wage, plus differentials, if any.

Section 16.03

Employees averaging twenty (20) hours or more per week will be eligible for all paid holidays. Any Employee who is first hired by **the Company** into CWA 4700 on or after July 1, 2015 shall not be eligible to become an Eligible Employee of the Retirement Pension Plan and shall not be eligible to become a Member in the Retirement Pension Plan. If such an Employee later transfers to another union that allows pension benefit accruals, under the Retirement Pension Plan, service with the Company earned prior to the transfer will not be used to determine the Employee's Retirement Allowance but such service shall be considered for purposes of eligibility, participation and vesting.

Any Legacy Embarq Employee who is rehired or recalled into CWA 4700 on or after July 1, 2015 is not eligible to become a Member in the Retirement Pension Plan for purposes of accruing an additional Retirement Allowance under such Retirement Pension Plan. Such Employee shall remain a Member solely with respect to the amount of any Retirement Allowance accrued prior to being rehired or recalled by CWA 4700 on or after July 1, 2015 to the extent he was not given a distribution of his entire prior Vested Interest prior to being rehired or recalled. Service on or after July 1, 2015 for such Employee will be considered only for purposes of participation, vesting and eligibility for any type of Retirement Allowance earned prior to being rehired or recalled (i.e. Normal, Early, Special Early, Deferred Vested, Disability and Death benefit).

Any Legacy Embarq Employee who first becomes covered under the CWA 4700 Agreement through any means (including, but not limited to job bid, transfer, or any process by which the National Labor Relations Board orders that other represented or unrepresented **Brightspeed** employees are or should be covered under the CWA 4700 Agreement) on or after July 1, 2015 is not eligible to become a Member in the Retirement Pension Plan for purposes of accruing an additional Retirement Allowance under such Retirement Pension Plan. Such Employee shall remain a Member solely with respect to the amount of any Retirement Allowance accrued prior to being covered under the CWA 4700 on or after July 1, 2015, to the extent he was not given a distribution of his entire prior Vested Interest prior to being covered under the CWA 4700 Agreement. Service on or after July 1, 2015 for such Employee will be considered only for purposes of participation, vesting and eligibility for a Retirement Allowance (Normal, Early, Special Early, Deferred Vested, Disability and Death benefit), and not for accruing an additional benefit.

Any non-Legacy Embarq Employee who first becomes covered under the CWA 4700 Agreement through any means (including, but

not limited to job bid, transfer, or any process by which the National Labor Relations Board orders that other represented or unrepresented **Brightspeed** employees are or should be covered under the CWA 4700 Agreement) or rehired or recalled into CWA 4700 on or after July 1, 2015 shall not become an Eligible Employee and shall not be eligible to become a Member in the Retirement Pension Plan. Service on or after July 1, 2015 for such Employee will be considered only for purposes of determining participation, vesting and eligibility for a pension benefit in such Employee's former pension plan(s), if any. If such an Employee later becomes covered under another union that allows benefit accruals under the Retirement Pension Plan, service earned with CWA 4700 prior to the subsequent move from CWA 4700 will not be used to determine the Retirement Allowance in the Retirement Pension Plan but such service will be considered for purposes of eligibility, participation and vesting.

For purposes of this section only, "Legacy Embarq Employee" shall mean:

1. Any employee of Embarq prior to July 1, 2009,
2. Any employee of CenturyLink first hired on or after July 1, 2009 but before July 1, 2015 who worked at an Embarq entity and who became an Eligible Employee or is eligible to become an Eligible Employee.

Section 4 - Lump Sum Benefit Payment Option

The Company may, at its sole option and discretion, amend the Retirement Pension Plan to provide a lump sum benefit payment option to Members represented by CWA Local 4700, effective as of the date specified in the Retirement Pension Plan. Members represented by CWA Local 4700 who elect to receive their Retirement Allowance in the form of a lump sum must make their election within the timeframe and pursuant to the procedures established by the Plan Administrator for the Retirement Pension Plan. Any lump sum benefit payment option will be based on the present value of the Member's single life annuity benefit and calculated and paid solely as provided in the Retirement Pension Plan and subject to the terms of the Retirement Pension Plan. This Section is not, and is not intended to be, an amendment of the Retirement Pension Plan which can only be amended by authorized persons designated by the Retirement Pension Plan terms.

Notwithstanding any provision to the contrary, the decision to amend the Retirement Pension Plan to provide a lump sum benefit payment option is within the Company's sole and complete discretion. If the Company, however, amends the Retirement Pension Plan to provide a lump sum benefit payment option, the Company may, subject only to the Retirement Pension Plan's terms and applicable law, eliminate the lump sum benefit payment option on a prospective basis, even prior to the termination of this Section.

This Section shall terminate when the Agreement between the Company and the Bargaining Unit terminates. Thus, the Company may, unless contrary terms of the Retirement Pension Plan, the requirements of applicable law or a subsequent agreement between the Company and the Union, amend the Retirement Pension Plan to terminate this lump sum benefit option upon the expiration of this Labor Agreement. The continued application of this Section to any Member and to any Retirement Allowance of any such Member, regardless when accrued, shall be subject to collective bargaining and applicable law. The operation and administration of the Retirement Pension Plan, the calculation of benefits, eligibility requirements, all terms and conditions related thereto and the resolution of any disputes involving the terms, conditions, interpretation, and administration of the Retirement Pension Plan shall rest with the Company and its delegates, shall be determined only under the terms of the Retirement Pension Plan, shall not be determined under the terms of this Agreement, and shall not be subject to the grievance or arbitration procedure set forth in this Agreement.

The Company in its sole discretion may provide the coverage and benefits required by this Article through insurance and/or self-funded plans.

The Company will make available to employees, upon retirement, the same options for retiree health benefits as are offered to similarly-situated non-bargaining employees who retire from the Company. The retiree health benefits will be exclusively governed by the terms of the applicable plan(s).

The selection and administration of any plans to provide the coverage and benefits required by this Article shall be within the Company's exclusive control and sole discretion. The Company shall therefore have the unilateral right to make any changes which it deems necessary or desirable, including changes to establish, restore and/or maintain the most favorable qualification or treatment of the plan(s) under federal (or any applicable state) law. The selection of the insurers, carriers, agents and/or plan or claims administrators shall also be in the Company's exclusive control and sole discretion.

The Company reserves the right to unilaterally amend, change or terminate any one or more or any combination of these plans or flexible spending accounts or any of their features (including, but not limited to, deductibles, co-payments, maximum out-of-pocket expenses, etc.), or the premiums charged to employees (annually or as otherwise deemed necessary) for any plan(s). However, the Company may do so only so long as the amendments, changes and/or terminations apply equally to all eligible employees, both bargaining unit and non-bargaining unit employees, of the Company.

During the term of this Agreement, the Company shall not have any obligation to engage in decision or effects negotiations of any type on any subject addressed (directly or indirectly) in or by this Article.

The Company will provide the Union with sixty (60) days advance notice of any changes to the various plans. At the request of the Union the parties will meet to discuss, but not negotiate such changes.

Except as specifically provided in this Article, all disputes, complaints and questions, and any other issues arising out of or in any way connected with any ERISA benefit plan, shall be exclusively resolved in accordance with the underlying plan, procedures and ERISA, and shall not be subject to the grievance and arbitration provisions of this Agreement.

ARTICLE 31 – TOOLS AND UNIFORMS

- b) Tools which become broken or worn out will be replaced by the Company upon presentation of such tools.
- c) Tools lost or stolen on Company premises or vehicles will be replaced at the Company's expense.

Section 31.02

The Company will provide at its discretion either an appropriate number of uniform garments (as determined solely by the Company) or an annual credit for the purchase of approved garments through the Company authorized vendor to employees in those job titles which the Company deems appropriate. New hires in those job titles may receive additional uniform garments or a higher initial credit. The color, style, and material blend of employee work clothing will be determined by the Company for both uniform and non-uniform garments.

Employees will be required to wear uniform and non-uniform garments that are, in the Company's judgment, properly maintained and presentable. The wearing of uniforms will be mandatory during all work hours. Regular and all appropriate maintenance of an employee's uniform is the responsibility of the employee.

The Company shall have the unilateral right to modify, amend, or cease the uniform program at any time.

Section 31.03

The

Company, in its sole discretion, and in accordance with OSHA standards, will identify employees who will be required to wear safety footwear.

Employees identified as needing safety footwear will be required to wear safety footwear at all times when performing their work assignments. Those employees will have the choice of wearing steel toe or composite toe safety footwear as long as it meets the current national standard. The requirement to wear safety footwear will cease when employees leave the position through transfer, promotion, retirement, separation, voluntary resignation or dismissal, or when safety footwear is no longer required.

For those employees that have only occasional exposure, a safety toe overshoe, at no cost, is available through the SAP/CART ordering process.

The Company will provide Safety Footwear in accordance with the Safety Footwear Policy dated January 1, 2023, applicable to non-represented employees of the Company. This policy will remain unchanged for the life of the agreement.

Safety Eyewear – Employees in certain job titles and work environments may also be required to wear safety eyewear while at work. Employees who require corrective vision lenses must also wear safety eyewear, when required.

Effective October 1, 2017, the Company will provide an annual (calendar year) maximum contribution of \$75 for the procurement of one (1) pair of prescription safety glasses (or replacement frames or replacement lenses) for employees in positions which require the wearing of safety eyewear, subject to the following.

1. The Company will identify the job titles eligible for the company contribution for prescription safety eyewear.
2. Prescription safety glasses shall meet current ANSI standard Z87.1, and include protective specialty safety eyewear where the user requires a vision 'correction.'
3. The Company shall determine the supplier(s) for the procurement of prescription safety eyewear and reserves its right to identify the approved safety frame styles, lens materials, lens options and allowable optional upgrades. Each order for prescription safety glasses will include detachable side shields.

4. The Company contribution for prescription safety eyewear will only be provided through the designated supplier(s) for the procurement of prescription safety glasses. There will be no company contribution, subsidy or reimbursement for prescription safety glasses obtained outside of the designated supplier(s).

This supplier will bill the Company for the \$75 annual maximum contribution and the remainder of the expense for prescription safety glasses, if any, will be paid by the employee. Employees will be responsible for the cost of prescription safety glasses above the Company's annual contribution for additional or replacement pairs of prescription safety glasses, including frames and/or lenses. Employees will also be responsible for the cost of eye examinations.

Specialty safety eyewear that does not include a vision correction will be excluded from the company contribution for prescription safety eyewear.

The Company will make available, at no cost, non-prescription safety eyewear. Choices of non-prescription safety eyewear are available to employees through the SAP/CART ordering process.

ARTICLE 32 – RELIEF PERIODS

Section 32.01

Section 32.02

It is recognized that the normal provisions for relief may not apply during the hours when only two (2) people are required on duty. In such instances it is contemplated that relief time may be taken at the convenience of the employees, with due regard to the requirements of the service.

ARTICLE 33 – LAYOFF/TERMINATION ALLOWANCES

Section 33.01

Eligibility for Layoff Allowances – Layoff allowance, in the amount determined under Section 33.02 of this Article, will be paid to all regular employees laid off for lack of work.

Section 33.02

Layoff allowances shall be in the amount of 100% of two week's pay for each year of service up to a maximum of twenty (20) weeks pay at the 100% rate. The number of weeks accrued will be established based on the number of years of service at the time of initial layoff. Termination allowance will be paid in one lump sum payment.

Section 33.03

The employee's basic weekly wage rate shall be used in computing layoff allowance.

Section 33.04

The layoff allowance shall be over and above those amounts actually earned by the employee and also will be in addition to any payment for PTO for which the employee is eligible at the time of the final layoff allowance. All PTO, if not taken by December, will be paid to the laid-off employee.

Section 33.05

For employees who have been paid their layoff allowance and are recalled from layoff for a period of less than thirty (30) days, no benefits will be applicable. A refusal to accept the temporary recall within the employee's former district will not result in termination, but will void part 21.02 to allow the Company flexibility to contract the work assignment.

Section 33.06

Employees not recalled to a regular duty status within nine (9) months of being laid-off will be considered as terminated.

ARTICLE 34 – SHORT TERM DISABILITY

Section 34.01

The Company agrees to provide STD benefits for all regular full-time employees on a non-contributory basis. Regular part-time, temporary, or occasional employees are not eligible for STD benefits. The administration of STD leaves, including the application process and timelines, eligibility rules, notice requirements, return to work rights, and

modified duty programs will be governed by the **Brightspeed** Disability Plan (the “Plan”).

Employees qualify for STD benefits when they are participants who cannot work at their normal job due to an illness or injury incurred off the job, and satisfy the requirements as outlined in this Article but subject to the terms of the Plan which control and govern. STD benefits begin on the 8th consecutive calendar day (sixth consecutive scheduled workday) of non-occupational illness or injury for participants. Written medical certification shall be required.

PTO hours are provided for all incidental absences from work and for the first five (5) consecutive scheduled workdays of a non-occupational disability related absence (STD waiting period). The employee must use all available PTO hours before hours can be taken unpaid. If an employee does not have available PTO hours, those hours for which PTO are not available shall be non-paid.

Section 34.02

If employment is involuntarily terminated due to reasons including but not limited to reduction in work force, plant/office closure, etc., while the employee is receiving STD benefits under the Plan, the employee may continue to receive benefits until the earlier of either the Plan’s benefits are exhausted, the employee fails to comply with the Plan’s STD administrative requirements or the employee’s doctor (or the IME doctor) states and the Plan agrees that the employee can return to work. If employment is involuntarily terminated for just cause, STD benefits may be terminated immediately.

Section 34.03

The Plan Administrator may suspend or deny STD benefits if the employee fails to submit all forms/documentation as required, fails to comply with a Company request for an IME, or fails to comply with the requirements of the STD Plan. The Plan Administrator may require such physical or other professional examinations from healthcare providers in accordance with the Americans with Disabilities Act, the Family and Medical Leave Act and/or any other applicable law or regulations as well as when an employee is claiming benefits or privileges under the Plan. The requirement for additional medical or other examinations shall include, but not be limited to, independent medical examinations to confirm a disability, circumstances in which an employee seeks disability or family leave and applies for or is receiving any benefits financed by the Plan; and “fitness for duty” examinations.

Section 34.04

STD benefits under the Plan may be paid up to a maximum of twenty-six (26) weeks. The amount of pay (partial or full pay benefits) is a percentage of “base rate pay”. Base rate pay for the purpose of determining the appropriate STD benefit will be based on the regular straight time rate of pay. Base rate does not include incentive compensation, overtime, shift differential or other special payments or calculations.

- a) For employees hired, re-hired, or transferred into this bargaining unit before January 1, 2019, the STD benefit under the Plan is either sixty percent (60%) or one hundred percent (100%) of the base rate. The percentage paid is based on the length of service with the Company. An employee’s service anniversary date determines the benefit payment schedule as identified in the chart below. The following STD benefit payment schedule is based on completed years of service as determined by the employee’s service anniversary date.

If your length of service is:	Then benefits at 100% of Base Salary are paid for:	And benefits at 60% of Base Salary are paid for:
Less than one year	None	None
1 yr but < 2 yrs	2 weeks	24 weeks
2 yrs but < 3 yrs	4 weeks	22 weeks
3 yrs but < 4 yrs	6 weeks	20 weeks
4 yrs but < 5 yrs	8 weeks	18 weeks
5 yrs but < 6 yrs	10 weeks	16 weeks
6 yrs but < 7 yrs	12 weeks	14 weeks
7 yrs but < 8 yrs	14 weeks	12 weeks
8 yrs but < 9 yrs	16 weeks	10 weeks
9 yrs but < 10 yrs	18 weeks	8 weeks
10 yrs or >	26 weeks	0 weeks

- b) For employees hired, re-hired, or transferred into this bargaining unit on or after January 1, 2019, the STD benefit under the Plan is seventy percent (70%) of the base rate. The following STD benefit payment schedule is based on completed years of service as determined by the employee’s anniversary date.

If your length of service is:	Then benefits at 70% of Base Salary are paid for:
Less than one year	None
1 year or >	26 weeks

- c) A higher level of benefits does not take place if an employment anniversary occurs while receiving benefits or if the employment anniversary occurs before the employee returns to work for one hundred eighty two (182) consecutive days after any STD benefit usage.
- d) STD benefits under the Plan cease on the earlier of when a) the employee is released by their provider, and supported by the Plan, to return to work, b) the employee fails to comply with the Plan's STD administrative requirements, or c) the Plan's benefits as described in this Article have been exhausted.

Section 34.05

Successive disabilities due to the same cause that are separated by 30 calendar days or less of active full-time employment will be considered one disability. If you return to work for less than 182 calendar days following an STD absence, your previous STD benefits will be considered in determining the amount and maximum period of benefits. In other words, you will continue on the STD Benefit Payment Schedule described above based on your service at the first time you became entitled to Plan benefits.

If you return to work for at least 182 calendar days following an STD absence, your previous STD benefits under the Plan will not be considered in determining the amount and maximum period of benefits. In other words, you will be eligible for the full benefit described above for any STD absence.

ARTICLE 35 –WORKER’S COMPENSATION

Section 35.01

The Company will provide all Worker’s Compensation benefits required by statute to an employee who sustains an on-the-job injury.

For employees hired, re-hired, or transferred into this bargaining unit on or after January 1, 2019, the Company will provide an employee a salary continuation benefit (called Supplemental Workers’ Compensation Pay or SWCP) equal to 70% of regular base pay when combined with an approved Worker’s Compensation claim and statutory payment.

Effective January 1, 2023, for eligible employees that have completed one year of service, the salary continuation benefit is available up to a maximum of 1040 hours for a single disability beginning on the eighth calendar day of approved absence. If the disability extends beyond 1040 hours, the employee may be eligible for Long Term Disability (LTD) benefits under the Plan. If approved as eligible for LTD under the Plan, the employees’ Worker’s Compensation benefit will be deducted from the employee’s LTD benefit as an approved offset. Employees with less than one year of completed service are not eligible for SWCP.

Section 35.03

An employee is never entitled to more than 85%/70% of regular base pay while absent due to an on-the-job injury. Any overpayments made by receiving both SWCP salary continuation and Worker’s Compensation benefit payments in excess of 85%/70% of regular base pay will be deducted from the employee’s salary continuation check, regular pay check, or are to be reimbursed by the employee to the Company. The employee receiving an overpayment is deemed to agree to the deduction from the employee’s salary continuation check, regular paycheck, or to reimburse the Company.

Section 35.04

SWCP payments of salary continuation benefits will be in accordance with the **Brightspeed** Disability Plan (the “Plan”) and shall cease upon the earlier of a) an employee’s retirement, b) discharge for just cause, or c) when employment would otherwise terminate because of reduction in force.

4. Administration of leaves, including the application process and timelines, notice requirements, return to work rights, and modified duty programs will be governed by the Company Policy.

It is understood that the Union will not condone employee participation in a sympathy strike in conjunction with personnel outside of the Bargaining Unit. The Company agrees that it will not lock out its employees during the term of this Agreement.

Should any employee or employees engage in any of the above prohibited activities, without the authority and sanction of the Union, the Parties shall cooperate to enable the Company to carry on its operations without interruption or other injurious effect.

However nothing in this Section shall prevent the union from engaging in picketing or other publicity for purposes of truthfully advising the public of any contract disputes unless an effect of the activity is to induce any employee or other person to cease rendering or providing services to the Company.

ARTICLE 50 – HOLD HARMLESS CLAUSE

If any provision of this Agreement is declared invalid by a court, state/federal law or appropriate regulatory agency, only such specific provision shall be affected, and the remainder of this Agreement shall remain in effect for the term hereof.

ARTICLE 51 – DURATION OF AGREEMENT

Section 51.01

This Agreement shall be effective from **October 1, 2023**, to and including **September 30, 2028**, and shall continue in full force and effect thereafter unless terminated by written notice from either party to the other, expressly stating its intention to terminate this Agreement, in

which case this Agreement shall terminate sixty (60) days following the receipt of such notice. Within thirty (30) days of the receipt of such notice, unless otherwise mutually agreed, the Union and the Company shall commence collective bargaining with respect to a new Agreement. In the event a new Agreement is not consummated between the parties hereto before this Agreement is terminated as a result of such notice, this Agreement may be extended beyond such termination date by mutual agreement of the parties hereto.

ARTICLE 52 – VOLUNTARY BENEFITS PROGRAM

Section 52.01

Effective, November 17, 2005, and continuing for the life of this Agreement, the Company agrees, subject to the limitations described below, to include employees in the Voluntary Benefits program as it is applicable to non-represented employees of the Company. The components of the Voluntary Benefits program available to employees may include, but not be limited to, Automobile Insurance, Homeowners Insurance, Long Term Care Insurance, Pet Insurance, Universal Life Insurance coverage, Legal Services and Critical Illness Insurance.

Section 52.02

It is understood that employees will be responsible for the entire cost for each component of the Voluntary Benefits program. At its sole discretion, the Company may permit employees to have the required costs withheld through payroll deduction.

Section 52.03

In addition, at its sole discretion, the Company shall designate the insurance carrier(s) and/or agent(s) for the various components of the Voluntary Benefits program. The Company may change the insurance carrier(s) and/or agent(s) at any time provided sufficient notice is given. The Company will provide the insurance carrier(s) and/or the agent(s) with all applicable employee information needed to offer the program. The Company also reserves the right to modify or terminate any one of the various components of the Voluntary Benefits program at any time so long as the changes are uniformly applied to all eligible employees, both non-represented and bargaining unit employees.

Section 52.03

Important Note: This program is not a Company-sponsored plan or benefit. It is not a plan covered under ERISA. The Company has chosen

to allow these vendors to make these programs available to employees, but be advised that this is a voluntary program and only you can decide whether the benefits provided by this program are appropriate for you and your family. You are encouraged to research all suitable alternatives and consult with your personal advisors. Employees are encouraged to review the privacy and security policies and the practices of the various vendors and make sure they are comfortable with them prior to entering into any transactions. The Company is not able to provide you with advice regarding the program. Your participation is your decision, completely voluntary and at your own expense. **Brightspeed** does not endorse and is not responsible for any of the products, services or practices promoted on the voluntary benefit website. Access to this website is provided at no cost to you, and **Brightspeed** does not benefit from your participation. There are no commissions or incentives paid to **Brightspeed** as a result of the products or services you may choose to purchase.

ARTICLE 53 – RECOGNITION AND/OR INCENTIVE PROGRAM

Section 53.01

At the sole discretion of the Company, employee recognition and/or incentive programs to honor exemplary performance, achievement of objectives, meritorious events, community service, etc., by employees, may be unilaterally developed, implemented, modified or deleted. Such programs may include, but not be limited to, cash payments and may be, at the individual and/or group level. The Company will notify the Union in advance of any newly developed, modified or expired recognition programs, however, both parties mutually agree to the above mentioned unilateral Company right.

It is agreed and understood that all customer contact employees may be required to make referrals of company products and services and perform informal and direct sales work as part of their normal job duties. The Company has the right to establish sales incentive and promotional programs to stimulate sales of its products and services and will notify the Union prior to the implementation of any new program.

ARTICLE 54 – WORK AND SAFETY POLICIES AND RULES

The Company may from time to time establish, change and/or withdraw reasonable work and safety policies and rules as it deems necessary or appropriate.

The Company will provide the Union with copies of such policies and rules (or any changes) at least fifteen (15) calendar days prior to implementation unless earlier implementation is mandated by federal, state, or local legislation or regulations.

ARTICLE 55 – NEW/MODIFIED JOB TITLES

New Jobs Titles

Whenever the Company determines it appropriate to create a new job title in the bargaining unit, it shall be handled as follows:

The Company shall notify the Union in writing at least fourteen (14) calendar days before the new job title is implemented, and shall provide the Union with a summary of the duties and the proposed wage rate or wage schedule.

The Union shall have the right, within twenty-one (21) calendar days from receipt of the notice from the Company, to request negotiations concerning the initial wage rate or schedule. If the Union does not initiate such negotiations the matter shall be considered closed for the duration of the contract. If the Union initiates such negotiations, and the parties are unable to reach agreement within sixty (60) calendar days, either party may request arbitration using the Arbitration Procedure below. Failure to do so shall resolve the dispute on the basis of the Company's last proposal.

The Company shall have the right to implement its proposal while the negotiation and arbitration process is proceeding, but an arbitrator may award a retroactive wage adjustment if deemed appropriate.

Modified Job Titles

First, the parties agree that routine changes to operational procedures, equipment, and systems occur on a regular basis as a result of improvements in technology, processes, etc., and often change how job responsibilities are performed. These are not considered modifications to the job and do not require notice or bargaining with the Union. Any dispute about whether a change in procedures, equipment, or systems is routine and has minimal (in contrast to a substantial) impact must be brought by the Union within thirty (30) calendar days of the date of the change using the Arbitration Procedure below.

Whenever the Company determines it appropriate to make a substantial change in the nature and scope of the work employees in an existing job title have historically performed, it shall be handled as follows:

The Company shall notify the Union in writing at least fourteen (14) calendar days before the changes are implemented, and shall provide the Union with a summary of the modified duties and any proposed changes in the wage rate or wage schedule, if a wage adjustment is deemed appropriate by the Company.

The Union shall have the right, within twenty-one (21) calendar days from receipt of the notice from the Company, to request negotiations concerning the proposed wage rate or wage schedule. If the Union does not initiate such negotiations the matter shall be considered closed for the duration of the contract. If the Union initiates such negotiations, and the parties are unable to reach agreement within sixty (60) calendar days, either party may request arbitration using the Arbitration Procedure below. Failure to do so shall resolve the dispute on the basis of the Company's last proposal.

The Company shall have the right to implement its proposal while the negotiation and arbitration process is proceeding, but an arbitrator may award a retroactive wage adjustment if deemed appropriate.

Arbitration Procedure for Disputes Over New and Modified Job Titles

Although the Company may create a new job title or modify the nature and scope of existing job titles, without bargaining, the effects of such actions shall be subject to final and binding arbitration according to this procedure.

If the dispute is whether the modifications in job duties or responsibilities of an existing job title have substantially changed the nature and scope of the work, the arbitrator may resolve that dispute. If the arbitrator finds that a substantial change has occurred, the issue of the appropriate wage rate or wage schedule shall be returned to the parties for negotiation.

If the parties are unable to resolve the issue of the appropriate wage rate or wage schedule for either a new job title or a modified job title as described above, the parties shall select an arbitrator following the procedure in Article 6. The parties further agree that within thirty (30) calendar days after selection of the arbitrator each party will submit its final offer position on the wage schedule to an arbitrator, copying the other party. These final offer positions may thereafter be changed only with mutual agreement of the parties. Notwithstanding the limitations on an arbitrator's authority under Article 6, an arbitrator selected under this

procedure shall have the authority to choose between the two final offers, and may also award retroactive wage adjustments. The decision of the arbitrator shall be final and binding.

ARTICLE 56 – CONTRACT PRINTING

The Company and the Union will endeavor to have the contract reviewed **and** proofed within one hundred twenty (120) calendar days after notice of ratification. **The Company will make this Agreement available to all employees covered by said Agreement electronically and allow it's download onto Company devices.**

IN WITNESS WHEREOF, this Agreement is entered into the day and year first mentioned herein.

Letter of Understanding

The Company and the Union recognize the value of training and offering employees additional opportunities to increase their skills in order to compete in an ever-changing business environment.

The Company reserves the right to determine the type and extent of training required for its employees, the scheduling of that training by work location and title, and the number of employees to be trained.

Memorandum of Agreement
Between
United Telephone Company of Indiana
And
Communications Workers of America CWA 4700
Network Technician II

Brightspeed of Indiana, LLC. and the Communication Workers of America agree to the following relative to the Network Technician II job classification.

The Network Technician II position will serve a critical role for the Company in providing service for key customers with advanced products. Candidates awarded these position(s) will be required to have and maintain industry and vendor certifications as determined by the Company which will be noted in the job posting. The Company shall have the unilateral right to adjust certification requirements to keep up with changing technology.

The Parties understand that these positions may be difficult to fill and retain due to the specialized skills needed and that the assignment of work for employees in this classification needs to provide a great degree of flexibility in order to efficiently operate.

At the Company's sole discretion, new employees awarded a Network Technician II position may be placed into the wage scale at the rate appropriate to their skill sets as determined by the Company and may be eligible for a signing or retention bonus separate and apart from the hourly base wages or any other Company sponsored bonus/incentive.

New employees hired into the Network Technician II job title will have twelve (12) months to obtain the required minimum certifications. If an employee does not obtain the required minimum certifications, his/her employment will be terminated.

An internal candidate who is awarded a Network Technician II position will have twelve (12) months to obtain the required minimum certifications. If an internal candidate is not able to obtain the required minimum certifications or is not able to maintain the required minimum certifications, the employee will be allowed to retreat to his/her previously held job title. Any surplus created as a result of this will be handled in accordance with Article 19.

Time for formal training and the cost associated with the training, certification, and re-certification will be covered by the Company.

The Network Technician and the Network Technician II will be considered as one classification for the purposes of PTO scheduling, choice of tours, voluntary separation, and layoff.

This Memorandum of Agreement is effective October 1, **2023** and will remain in effect until September 30, **2028**, unless extended in writing by both parties.
