

Frontier Update for D4 Locals

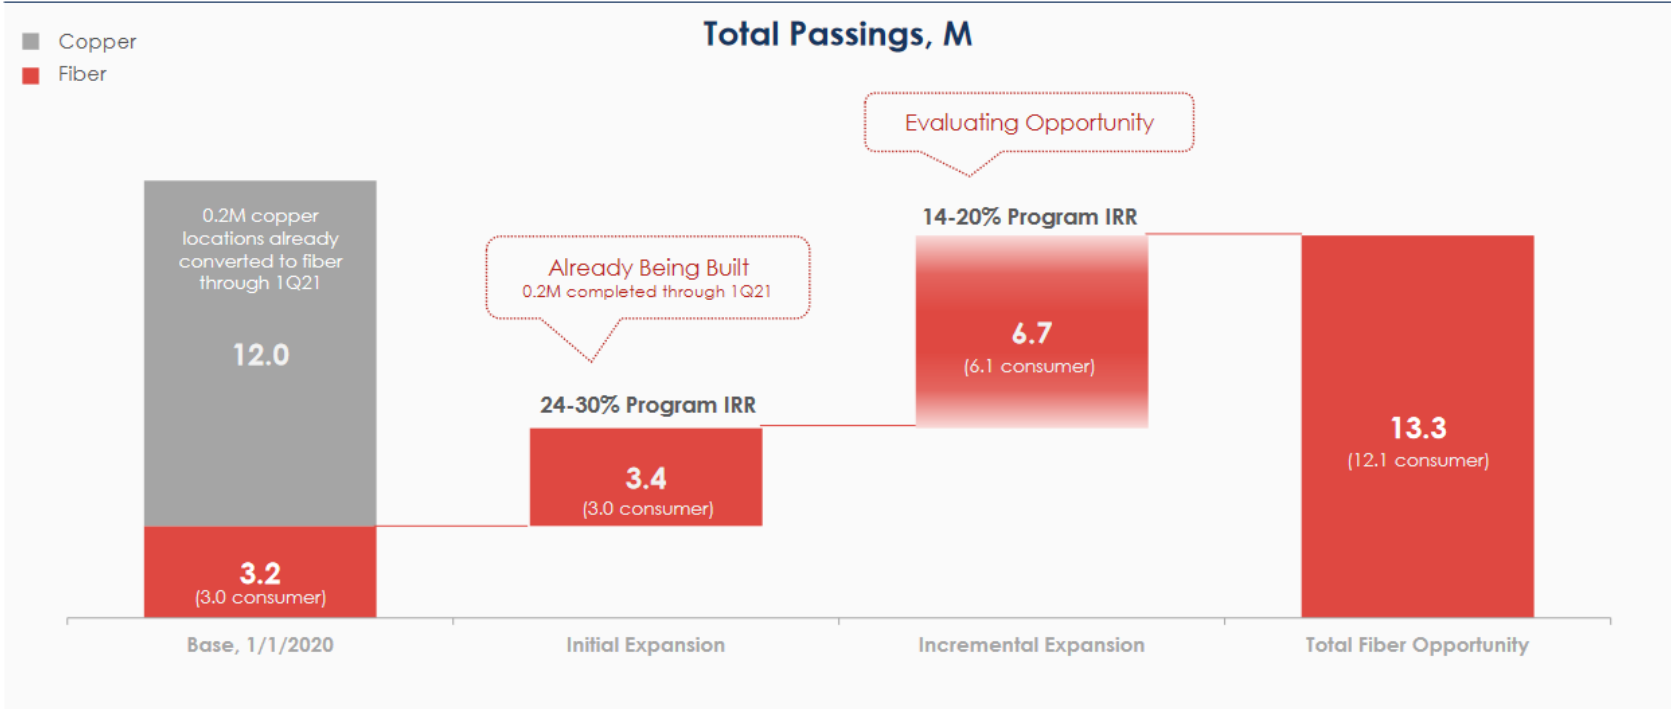

05.11.2021

CWA

Frontier – New Fiber Focus

- Frontier emerged from bankruptcy on April 30
- New Leadership Team
 - Executive Chairman John Stratton
 - CEO Nick Jeffery
 - Chief Network Officer Veronica Bloodworth
- “Frontier’s purpose is to be a leader in building Gigabit America” – CEO Nick Jeffery

The Expansion Fiber Network: converting copper to fiber at attractive IRRs

“Modernization Plan” For Fiber

- Eight States Identified for Fiber –
 - “CTFC” (California, Texas, Florida, Connecticut)
 - “WINO” (West Virginia, Illinois, New York, Ohio)
- Other States “Under Review” – Pennsylvania, Indiana, Among Others
- Company Currently engaged in a “100-day Strategic Review” of operations – Investor Day to Announce Strategic Plan planned for August

Strategic Imperatives

*"We recognize, **time to market is an absolutely critical success factor** and to that end, Nick and his leadership team are driving two critical questions, how far and how fast?" – Exec Chair John Stratton*

*"Frontier has several advantages in building our modern fiber network...We have a **terrific work force of thousands of employees, who build this fiber rapidly, which new entrants or smaller players cannot easily replicate.**" – CEO Nick Jeffery*
